

Dr Psych REBECCA WEBER

Clinical Psychologist – Psychotherapist FSP

+41 78 219 12 17 • rebecca@cabinetweber.net • Rue Abraham-Gevray 6, 1201 Geneva, Switzerland

PROFESSIONAL PROFILE

Originally from California, bilingual French-English clinical psychologist and psychotherapist (FSP), with a PhD in Clinical Psychology and postgraduate training in child and adolescent psychotherapy. Based in Geneva, Switzerland since 2012, with clinical experience across public mental health, international education, and private practice. Specialized in psychotherapy with children, adolescents and families, with an integrative and developmental approach focused on relational processes and the parent-child relationships. Also administers standardized cognitive assessments and provides clinical supervision to psychologists, psychotherapists in training, and specialist educators. Hosts a daily radio show since 2013 “Kids in Mind” on World Radio Switzerland.
